Web Developer |Photographer

Nakuru, Kenya| 0769099204| renylesh44@gmail.com | [LinkedIn](#) |[Portfolio](#)

PROFESSIONAL SUMMARY

A highly motivated and dedicated IT professional with a strong passion for technology, problem-solving, and digital innovation. Skilled in programming, troubleshooting, database management, networking, and IT infrastructure management, with a proven ability to adapt to evolving technological environments. In addition to my IT expertise, I am passionate on Photography, a creative brand specializing in professional photography, videography, and visual storytelling. I possess hands-on experience in digital marketing, including social media management, content creation, search engine optimization (SEO), email marketing, online advertising, and brand promotion. My combination of technical knowledge, creative thinking, and marketing expertise enables me to develop effective digital solutions that enhance business growth, customer engagement, and operational efficiency.
